**PRESENTER:
DR. DONESE WORDEN, NMD**

Dr. Donese Worden is an Arizona-based physician and global health educator. Her PBS television show "Dr. Worden's Health Hot Seat" is a lively debate educating the public on alternative and

traditional medicine. Dr. Worden is renowned for identifying and helping to bring unique healing modalities and therapies from abroad to the United States, putting her on the vanguard of integrated medicine.

Dr. Worden is passionate about educating people on taking charge of their health using the best from both conventional and natural medicine. A sought after keynote speaker, Dr. Worden's corporate clients have included State Farm Insurance, Boeing, The Mahoney Group, Olympian Labs, Whole Foods, Sprouts, Vitamin Shoppe, and Vitamin Discount Center. She is also a Continuing Medical Education (CME) lecturer for the American Academy of Pain Management, American Association of Naturopathic Physicians, The Arizona Naturopathic Medical Association, The Northwest Association of Naturopathic Physicians, and various medical schools and hospitals.
